AIM OF THE CHRISTIAN LEADERSHIP INSTITUTE

The aim of the Christian Leadership Institute is to provide young people an opportunity to develop skills for leadership and Christian Ministry. The week-long experience challenges young people to share insights and knowledge so as to grow in faith together. Through workshops, presentations, prayer, discussions, worship, and social activities, the program addresses the spiritual, social, and learning needs of the young people called to LEADERSHIP.

WHO SHOULD ATTEND CLI ?

Christian Leadership Institute is designed for young people in their sophomore, junior, or senior year of high school, and who are involved in parish, school, or diocesan LEADERSHIP ROLES. Youth Ministers, and other adults involved in youth ministry are also encouraged to participate.

ABOUT THE PROGRAM

Practical skills will be taught in the areas of communication, planning, group dynamics, and decision making. The participants will plan prayer services, liturgies, and other group experiences. A true sense of community will be fostered through fellowship and learning.

A typical day includes a wake-up call, breakfast, and morning workshop. After lunch, there is time for recreation, followed by small group sessions. Dinner is followed by a community meeting and another small group session. In the evening the entire group will celebrate Mass and have the opportunity to enjoy a social activity prior to retiring for the night.

The Christian Leadership Institute is a well established program, sponsored by the Archdiocese of Atlanta, Office of Youth Ministry. The program is staffed by four adult Directors, and a minimum of ten adult Support Group Leaders. Each of the Team Members has been thoroughly trained, and many have served in this capacity for several years. With a student to leader ratio of 8 to 1, each participant will have the benefit of individualized support and ample opportunity for specialized attention.
